

CALL FOR ARTISTS: TRAFFIC BOX ART WRAP PROJECT

Berwyn Heights, Maryland

Submittal Deadline: **Monday, November 18, 2024 at 4:00pm**

\$650 honorarium

Overview

On behalf of the Town of Berwyn Heights, the Hyattsville Community Development Corporation announces a Call for Artists' designs to transform select traffic signal and utility cabinets in Berwyn Heights into public artworks. Traffic signal cabinets – the stainless-steel structures located at every signalized intersection – are vulnerable to graffiti and vandalism. This project will utilize a public art application to address community blight and enhance the visual landscape. Artist designs will be printed on vinyl and wrapped around state-maintained signal box cabinets in the Town of Berwyn Heights. This project is made possible through funding from the Town of Berwyn Heights and the support of the Maryland State Highway Administration.

Deadline

This call is open until **Monday, November 18, 2024 at 4:00pm**. To ensure fairness to all, there are no extensions or waivers of deadlines.

Eligibility

This call is open to all artists, graphic designers, illustrators, and photographers who currently live or work within the State of Maryland or have previously been commissioned by Hyattsville CDC. Submitted designs must be original artwork and can be created in any medium, so long as it can be represented in, and is submitted as, a high-resolution digital image without loss of integrity or quality.

Juried Selection Process

A jury/selection panel will review all proposals. Note, selected designs may be used on more than one traffic cabinet to address all cabinets in this project. Panelists will include arts professionals, local artists, business owners, and representatives from the Town of Berwyn Heights. Selected designs will be reproduced as vinyl traffic box wraps and the selected artist(s) will receive an honorarium.

Selection Criteria

The panel will use the following criteria:

- Artistic merit and graphic strength of the proposed design;
- Contribution to the aesthetic and cultural atmosphere of Berwyn Heights and the neighborhood in which the box is located;
- Appropriateness of subject and concept for a public space;
- Ability of the design to be translated in large format on a traffic box wrap; and
- Completeness of the application submittal as outlined in this announcement.

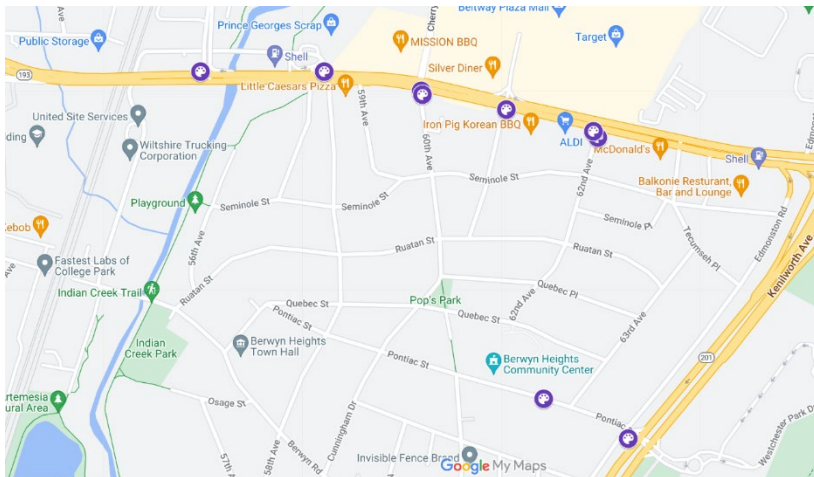

Artwork will be deemed inappropriate which portrays: content which violates copyright or other known legal ownership interest, profanity, obscenity, indecency, violence, pornography; discrimination on the basis of race, creed, color, age, religion, gender, sexual orientation, or nationality; defamation or personal attacks.

Artwork Location

Traffic cabinets to be wrapped are located within Berwyn Heights. **The selection committee will assign specific traffic cabinet locations to selected artist designs.** These locations are subject to change.

2024 Traffic Box Locations Include ([View Map Online](#): you may need to obtain permission via the link)

1. **Greenbelt Rd & 62nd Ave**
2. **Greenbelt Rd & 62nd Ave**
3. **Greenbelt Rd & Cunningham Dr**
4. **Greenbelt Rd & 60th Ave**
5. **Greenbelt Rd & 60th Ave**
6. **Greenbelt Rd & Branchville Rd**

7. **Greenbelt Rd & Greenbelt Station Pkwy**
8. **Kenilworth Ave & Pontiac Rd**
9. **6205 Pontiac Rd**

Duration

Wraps will be removed after 2-3 years depending on condition. Wraps may be removed at any time at the discretion of the Hyattsville Community Development Corporation and the Maryland State Highway.

Honorarium

Each of the selected artists/artist teams will be awarded a \$650 honorarium for their design and the unlimited, licensed use of that design for program purposes. Fabrication and installation of wraps is not part of the artist's work.

Submission Requirements

Please e-mail all application materials to our e-mail inbox: rfp@hyattsvillecdc.org. If you have graphic questions, please ask!

Respondents should submit the following materials by 4pm on Friday, November 18, 2019

1. Artist/Team Name, Point of Contact Name, Mailing Address, Telephone Number, Email Address, and Website.
2. One-Page Statement of Interest briefly addressing the concept(s), design(s), and how you approached this project.
3. One-page résumé or curriculum vitae.
4. Annotated List of Images: Please include the artists name as a heading, and a brief description of each image, including title and original medium.
5. Design Proposals. Artists may submit **a maximum of 3 designs for consideration.** Original artwork can be created in any medium but designs must be submitted as a high-quality image file in **BOTH** of the following formats:

5a. Web-quality **JPG file inside of attached traffic box Template (see pg 6)** at 100 DPI for review by the selection panel (minimum 800x600px; maximum 1600x1200px). We need to see design as applied across the four planes of a traffic box.

5b. **Final print ready files** should be (Very Important, submitted design images must be of a high enough quality that they can be printed in traffic box size while retaining resolution clarity)

- A minimum of 50 dpi (*100 dpi is best*) at full 1:1 scale
- Acceptable editable formats for build files can be done in Adobe Illustrator or Photoshop. If working outside of these programs please have entries converted to .EPS, .PDF or to any other compatible standard vector file format. Artists requiring assistance with creating these files should seek the guidance of a qualified graphics technician
- Please convert all text to vector
- Designs must incorporate a one-inch bleed for any surface to be covered
- Editable build files are necessary in the event design elements don't quite fit, etc., so that our wrap technicians can edit the graphics in-house, to meet production deadlines.
- Every image file must be titled first with the number of the image in order to be viewed (use zero "0" in front of single-digit numbers), followed by the artists last name [for example: 01_Smith; 02_Smith]. The numbers must correspond to the annotated list of images.

Submission Guidelines and Design Considerations:

1. Submitted designs must showcase original artwork and graphic design.
2. The art may be a new original piece or an existing work of the artist and may not be on display in other public art programs. This does not include ongoing gallery exhibitions.

3. Welcome themes for this call may utilize narrative elements, colors, or patterns that capture the shared history & culture of Berwyn Heights.
4. Welcome themes for this call may utilize designs that embrace the importance and role of trees & pollinators in Berwyn Heights.
5. Welcome themes for this call may utilize designs that celebrate or acknowledge the multicultural diversity of Berwyn Heights.
6. Welcome themes for this call may utilize designs that embrace the importance and role of lakes, creeks & trails in Berwyn Heights.
7. Welcome themes for this call may utilize designs that embrace the importance and role of home & community
8. A welcome feature for the box at 60th Ave/Greenbelt Rd might incorporate an *"Honoring Public Safety Heroes"* theme as this box is closest to the Fire Station.
9. In the creation of designs, please carefully consider the sample templates provided at the last page of this document. Designs must conform to the shape of the attached template. Actual size of traffic boxes may vary. Once selected, artists should be prepared to coordinate with HCDC to finalize the design.
10. Not all traffic boxes will be wrapped on the top. When preparing your design, do not include central design elements at the top of the box but DO include a design treatment for the top of the box.
11. Aesthetic use of the structures of the traffic boxes themselves as an integral part of the design is strongly encouraged (see sample 4 on page 5).

Note: As seen in the attached Template, please strategically note bleed lines and potential problem areas in case, when being installed, panels may not continue in a clean fashion around edges and corners; that some boxes will have vents, folds, screws, and handles in unique locations and will have holes cut to accommodate those features.

12. Artists may submit up to (3) Designs for consideration.

13. Designs that incorporate commercial advertisement will not be considered. Please inquire if needed.
14. Designs must not contain any representation of traffic signage, lights or signals.
15. This program in part aims to deter graffiti vandalism, designs should not mimic or take the style of graffiti.
