Any help offered is more than welcome for any of the below:

Set up 8-10am (set up tables, chairs, tents, and signage)

Painting and Event: Helping muralists, performers, vendors, and other needs for **two-hour timeslots from 10am to 8pm** (assisting muralists, exhibitors and visitors, shuttle visitors and vendors to parking lots, directing visitors to parking lots; greeting and counting visitors)

Citizen Paint Project 3-8pm: When the event opens to the public 3pm to 8pm, come help out, grab a paint brush and make your mark on two of our Paint-by-Numbers murals (**ALL ages welcome!**)
